# Spring Clearance Sale

Because of the heavy demand in the South the past two months due to the killing of the first plantings by frost, our stocks are not as large at this season as in previous seasons. We advise early orders.

We have a limited amount of many varieties too small to list but if you wish to order and send second choice we will supply if possible. In the event we are sold out of size ordered, we will supply bulbs of smaller size of the same variety unless you advise to the contrary. We advise second choice selection when ordering. All stock offered subject to prior sale.
